    - Webinars

Royal College of
General Practitioners

What will we cover?

- Support to inform patients
- Support to implement choices

Royal College of
General Practitioners

Support to inform patients

- Why data? Benefits and Trust

- Why the opt out?

- What is the opt-out?

  - What does it cover

  - What does it NOT cover

- Difference between "care" and "research and planning"

Implementation

- How to comply with the law (GDPR, HSCA etc)

- How to comply with the policy (the Opt-Out)

For whom is the resource?

- All GP staff

- Resources targeted at:

  - Reception

  - Manager

  - Clinicians

  - Caldicott Guardian

RCGP | Royal College of General Practitioners

Over to you!

- Is this the right kind of pitch?

- What questions might you expect you practice to answer?

- What have we missed?
